CHORD PLAYER SETTINGS – LINK TO THE PLAYER BELOW

- Volume: 100
- Instrument: You can only use Double Bass, Synth Pad 1, Grand Piano, and Perc Organ
- Style: See page 2
- Scale: C Harmonic Minor
- Hover over the keys and slide the blue and red sliders to play the chords/bass in different octaves
- Drag the chords into the Chord Progression window to have them play in sequence
- The player gives you the ability to record and export to WAV
- Or you can use Loopback & Audacity to record audio straight from your browser window
